MEMORANDUM TO	: Director, Office of National Estimates	
SUBJECT:	The SS-9 ICBM	
As you know, I particulars of the re	and others in FMSAC disagreed with many	
	ever, I agreed that the subject of "Why the	
SS-9?" is clearly t	the most important one we need to deal with,	
and that it would be	e helpful to you if, in addition to registering	
dissent, we stated	our views on this problem.	
Accordingly, I	wrote a memorandum giving our reconstruction	
of the SS-9 story,	wrote a memorandum giving our reconstruction and have attached it herewith. I would	
of the SS-9 story, appreciate very mu	and have attached it herewith. I would och its critical review by you, the members	
of the SS-9 story, appreciate very mu	and have attached it herewith. I would och its critical review by you, the members	
of the SS-9 story, appreciate very mu	and have attached it herewith. I would och its critical review by you, the members	
of the SS-9 story, appreciate very mu	and have attached it herewith. I would och its critical review by you, the members	
of the SS-9 story, appreciate very mu	and have attached it herewith. I would sch its critical review by you, the members the ONE Staff.	
of the SS-9 story, appreciate very mu	and have attached it herewith. I would sch its critical review by you, the members the ONE Staff. DAVID S. BRANDWEIN	
of the SS-9 story, appreciate very mu	and have attached it herewith. I would sch its critical review by you, the members the ONE Staff.	er
